14.30 Opening and welcome

Alf Österdahl, Jönköping-S

1. Adoption of the outcomes of the last meeting (Katowice, Slaskie-PL, 18th March 2009)

2. Finalising the AER Alcohol Peer Review Project – Preventing alcohol-related harm

Karin Mernelius, Jönköping-S & Ourania Georgoutsakou, AER Secretariat

a. Final conference: Barcelona (Catalunya-E), 29-30 March 2010

- **Themes to be addressed**
- **Preparation of a draft conference programme**

This conference will be the final event organised in the context of the AER Alcohol Peer Review Project, which is part of the Building Capacity project funded under the European Public Health Programme. The aim of this event will be to bring together the conclusions of the AER thematic peer reviews on the prevention of alcohol-related harm and to disseminate the outcomes to the regional politicians members of the AER.

The region of Catalunya-E has kindly offered to host this event.

b. Presentation of the project outcomes: fact sheets with key outcomes of each AER Alcohol Peer Review

AER will publish fact sheets outlining the key outcomes of the 4 AER thematic peer reviews on preventing alcohol-related harm. Members are invited to consider how to structure these fact sheets, in order to best disseminate the project outcomes.

16.30 Close of meeting
